

VETERAN ADMINISTRATION PRICE LIST

FSS Contract No. 36F79718D0358

Effective 2/1/2018 through 7/31/2026

The pricing below is provided to the Department of Veterans Affairs under the Omni FSS Contract noted above, reflecting our commitment to supporting veterans, past and present, by delivering exceptional healthcare at a reasonable cost.

For questions, please contact Omni's Patient Care Coordinator, Kelly Leigh Clayton at 802-497-2253 (205) or kclayton@urincare.com / providersupport@urincare.com

To order the **STARTER KIT** directly from Omni:

1. The Provider will enter a PROSTHETICS consult for the appropriate Starter Kit
2. Prosthetics will then place a PO with Omni via
 - a. Email providersupport@urincare.com
 - b. Phone: 802-497-2253
 - c. Fax: 802-497-3601
3. Omni will then receive the PO and contact the patient for the proper sizing (if needed) and to answer any questions that they may have.

*The Veteran will also require residual sustainment supplies ordered (typically) every 3 months. To order the **SUPPLY KIT** directly from Omni:

1. The Provider will place a PHARMACY consult for the appropriate Supply Kit
2. Pharmacy will then place a PO with Omni via
 - a. Email providersupport@urincare.com
 - b. Phone: 802-497-2253
 - c. Fax: 802-497-3601
3. Omni will then receive the PO and contact the patient for the proper sizing (if needed) and let them know that additional supplies were ordered from the VA and to be expecting them.
